

Captiva Series
BOOKCASES
Product Specifications

I. General Description:

Captiva Series Bookcases are a strong, durable storage solution, constructed with the highest quality U.S. Steel. Double wall sidepanels add to the strength and durability of the bookcase. In addition, the CaptivaSeries Bookcases are available in 30", 36" and 42" widths in various heights.

II. Features:

- A. Double wall side construction which allows shelves to support 200 lbs of weight
- B. Shelves are adjustable in 1 1/2" increments
- C. Bookcases have adjustable leveling glides to accommodate uneven floors
- D. Bookcases can be bolted to wall or each other with easy to use knock out openings
- E. Available in a variety of powdercoat paint finishes which allow for an easy to clean finish
- F. Finished on all sides and shipped fully assembled
- G. Optional laminate tops are available in a variety of finishes
- H. All Haskell Products are low VOC and meet ANSI/BIFMA X7.1 low emitting VOC standards

III. Gauges of Steel:

- A. Top: 20 gauge
- B. Side: 20 gauge
- C. Shelf: 18 gauge
- D. Bottom Frame: 20 gauge
- E. Back Panel: 20 gauge
