Customize the Cargo Cart with 7 Different Module Storage Options

See the Modules Spec Sheet for Details

CARGO CART
SPECIFICATIONS

Successful Makerspaces and STEM Labs require access to a broad range of materials and resources to foster learning through inquiry. The Explorer Cargo Cart by Haskell is the perfect support solution to our Rover Table and our Maker Table allowing easy access to all the many different maker manipulatives needed. Its ease of mobility allows for easy access to any area of the classroom where maker activities happen or it can follow its companion the Rover Table from room to room.
